

Eight College CPT Pilots Leave For New Army Glider School

Expected home this weekend for a one day vacation are eight Don secondary pilot training graduates who reported earlier this week to Candor field near Twenty-nine Palms for training as glider instructors in the U.S. Army.

Student fliers winning appointments were Bill Was, Bill Helling, Wilton Mattinson, Homer Hannaford, Art Tye, Charles Smith, Ed Reeder, and Bill Sandon.

Following passing of the CPT examinations this week, the eight pilots received telegraphed orders to report to the desert Army glider field to begin refresher training immediately at \$100 a month.

Two months will be spent by the embryo instructors in learning the fundamentals of glider instruction. Upon completing the training period the Don octet will earn \$300 a month training soldiers for the new program inaugurated by the Army.

Several more applications are being considered today for the instructor positions, CPT Coordinator C. E. Line revealed. Orders accepting more applicants are expected soon. The flying graduates will first study in light planes and small gliders and then the larger gliders.

Plans Revealed For Grad Week

Plans were outlined today by Director D. K. Hammond for the 26th annual commencement week activities to begin June 8.

Baccalaureate will be held Sunday, June 7, at 4 p.m. with Post Chaplain Theodore Leen of the cadet center as the guest speaker.

Preparations are under way today for the Annual Banquet, final social affair of the year, which will be held Thursday, June 11, in the Ebell clubhouse.

Commencement ceremonies will be held Friday afternoon, June 12, with Dr. Walter R. Hepner, president of San Diego State college, as principal speaker.

Don Actress Wins Playhouse Award

Word was received today from the Pasadena Community playhouse announcing that Gloria Schultz, freshman drama student, has won a scholarship to the Pasadena thespian society, according to Drama Instructor Ernest Crozier Phillips.

Playhouse judges commended Miss Schultz's performance during annual tryouts for the stage talent scholarships. This is first such award given to a Don student.

The local drama student played a featured role in this year's Fiesta production.

NYA Discontinued During Summer

Director D. K. Hammond announced today that the present college NYA will be discontinued throughout the summer and that there is a possibility that it will be dropped altogether next fall because of measures taken by congress recently.

Four Former Dons Missing In Action

Four former Dons are known to be missing in action in the U.S. Philippine army which recently surrendered to the Japs in the four month struggle ending on Corregidor. Those reported missing by the army include Corp. Nelson Edgar, '41; Pvt. Jess Kerby, '38; Lieut. Glen Cave, '30; and Richard Keech, '38.

Two other Dons, Capt. Harold A. Wallace and Capt. Glenn Hardin have not been heard from since the islands' fall but is not known whether they are missing or not. Capt. Hardin was last reported on Cebu fighting guerilla warfare with native Filipinos.

U.S. soldiers reported missing in the Philippines are generally considered in the captive list of the Jan army.

Jaysee Army Class Starts This Week

Jaysee launched on its first Army signal corps training class this week when 19 students from all over California arrived Monday to begin studying under Instructor Bert S. Hodges. The college is the only one offering the government training in Southern California.

Installation of necessary new equipment costing between \$100 and \$150 was authorized today by the board of education to outfit the six month class.

Picked from civil service applicants, the signal corps trainees are paid \$120 a month during their apprenticeship period. Following completion of the local course the students will transfer to Santa Barbara State college for further study.

More trainees are expected to arrive in the future from the signal corps headquarters in San Francisco. The course trains the men as civilian employees in the signal radio corps mechanics.

Bureau Makes 773 Student Referrals

Preparing to remain open during the summer term, the college placement bureau announced today that 450 students have been placed in positions through the Placement service this year by Miss Genevieve Humiston. Out of the 773 referrals made, 146 have obtained part-time jobs, 275 temporary positions, and 29 full-time work.

According to Miss Humiston, the bureau has contact with both private and government employers, and can arrange to have students begin work as soon as the college year is completed. The Placement service recently widened its scope to include obtaining full time jobs as well as part time employment for local students.

Four Dons Donate To JC Blood Bank

Three jaysee students and one instructor have today donated a pint of blood to the Orange County Civilian Defense blood bank. The donors include Mr. T. H. Glenn, Natalie Nelson, Marjorie Helm, and Charles Tamarkin. Jeanne Clark, Wanda Blank, and Ross Hager have registered to give blood donations and will do so this month.

Milton Smith, Elaine Becker and Bud Mahoney have made blood donation posters which have been hung on the bulletin boards in the College Hall and Board of Education buildings.

Fiesta Attendance Reached 300 Mark

Jaysee's first wartime Fiesta picnic held last Wednesday at Irvine park was attended by 300 Dons, according to Committee Head Art Tye today.

Winners of the annual beard growing contest held after the dinner were Bill Helling, scrawniest beard; Ross Hager and Ralph Tippin, draw for the bushiest beard; and Hugo Bracci, best trimmed beard.

Hammond Revises College Catalogue

Completion of the 1942 college catalogue was announced today by Director D. K. Hammond. All copy is ready and work on the booklet is expected to begin immediately so that distribution can be made by July 1.

Don Campaigners Vie For Student Body Offices

Twenty-two candidates have so far been nominated in the campus Associated Student and AWS campaign this morning and will be voted upon in the primary next Wednesday.

The college song leaders will also be selected in the election. Donas trying out for the cheer leader positions in the lawn assembly this week were Dorothy Hazelton, Mary Ann Andrews, Doris Jacobs, Betty Banks, Marjorie Fishback, Barney Langton, and Ruth Howell.

Petitions for the student officers will be due Tuesday noon. Wednesday primaries will be followed by the finals Friday. Jean Conliffe and Linden Criddle are in charge of the election.

Tabulation of the ASB nominees revealed one candidate for president, three for vice-president, four for secretary, and two for treasurer.

AWS candidates include three for president, four for vice prexy, three for secretary, and two for treasurer.

Don Trio Joins Reserve Corps

Three jaysee Dons have been accepted today into the reserve corps of the U.S. armed services following application and physical examinations taken this week. Coordinator T. H. Glenn announced. Those accepted are Herbert Scott, Milton Smith, and Chuck Price.

Scott made his application for the Army Air force and will begin training upon completion of jaysee. Smith and Price both entered the Marine reserves and will be allowed to finish college before taking training for Marine officers.

Miss Martin Granted Leave Of Absence

Leave of absence was granted to Miss Myrtle A. Martin, jaysee music instructor, this week by the board of education for the next college year. Miss Martin has been absent from her classes since last September because of illness.

Music classes have been instructed by Mrs. Marjorie Rohlfleisch this year.

COACH JOHN WARD who is awaiting reply today from the U.S. Navy after successfully completing his physical for a commission in the Naval Reserve this week. Coach Ward applied for duty in the physical education division.

El Don and Post Win All Americans

El Don and Tavern Post await receipt today of their official award certificates following the capturing of All American titles this week from the University of Minnesota scholastic press contest.

A review by El Don editor of former college journalists who have guided the paper to All American revealed 11 editors starting with Dick Robbins in 1931.

Following the precedent set by Robbins, Paul Wright and Eugene Robb copped the titles in 1932 and 1933. John Rabe and Walter Bandick co-edited the 1936 issues to victory, beginning a run that has not yet been broken.

Completing the list of El Don leaders are Bob Swanson, 1937 winner; Vic Rowland, 1938; Ed Velarde, 1939; Myron Smith, 1940; and Audree Willsey, 1941, the first Dona to win All American.

Linden Criddle edited the first semester of El Don this year.

This is the 10th time El Don has won the highest award for college newspapers and the Tavern Post's first All American. There are over 156 college papers in the annual contest.

CPT Course Signs 35 Embryo Fliers For New Term

Finally receiving official approval from the state attorney general, jaysee announced its plans for its wartime program today commencing with the new summer session which will begin immediately after commencement week, Director D. K. Hammond disclosed this morning.

Following a tour of the southern county high schools, Mr. Hammond stated that the new term was accepted with great interest by the students. Applications have been received so far from 35 students for the pilot training course.

OFFER NIGHT CLASSES

Several night classes in drafting and secretarial work have been added to the summer curricula at the request of the West Coast Air Force Training Command in order to enable their personnel to attend the session. Classes are especially designed for those studying for the reserve corps.

Ten instructors have so far been contacted for the summer faculty. They are T. H. Glenn, Norman Hicks, H. A. Moomaw, William Elliott, Miss Lella Watson, C. R. Nisewanger, H. J. Sheffield, J. Russell Bruff, C. E. Line, and Mrs. Etta Cottrell. More are expected to be added.

RECEIVE RULING

A ruling by the attorney general was received stating that because of the present emergency it would be legal for state owned colleges to charge tuition. It is not known yet whether tuition will be charged or not pending state legislation.

Complete lists of classes to be offered may be obtained in the college office. Registration will be held June 12 and 13. Classes will begin Monday, June 15. The first

Private Summer School Supplements Don Session

Plans were announced today by Instructor L. L. Beeman for a supplementary summer school to be offered beginning June 15 for students who can not get classes desired in the college summer session.

All classes will be conducted by Mr. Beeman in his home. A small tuition charge will be made.

SHOWING OFF JAYSEE'S NEW FIRE FIGHTING EQUIPMENT are nine Dons who are learning the use of various fire tools in the campus fire fighting class. The last class of the two month course will be held this Tuesday. Shown from left to right are Jack Porter, Hugo Bracci, Jack Slauson, Nick Rousos, Chuck Page, Eris Jamison, Paul Cleary, Keith Davis, and Harold Stanley.

Service Club Officers Named For Fall 1942 PERSONALS

Piloteers Slate Beach Party

In addition to the election of officers, plans were made early this week for a beach party to be held at Pat Sharpley's home in Laguna, Sunday, June 14.

Eugenia Bond was elected pilot at the last club meeting of the year, and Frances Smith was chosen co-pilot.

The position of hostess will be filled by Fredrica Ewing next year, and Ada Mae Harbaugh will take over the duties of stewardess. Jeanne Turner was voted historian.

The meeting was held at the home of Mary Washam, 921 Fairview. Outgoing officers are Marieta Brown, Jeanne Clark, Doris I. Hill, Miss Day, and Kathleen Alford.

LAS GITANAS

Barney Langton was elected Las Gitanas president Wednesday, in a run-off election against Marjorie Fischback.

Anita Johnson was made the new vice-president and Marie Wallace, secretary-treasurer at a recent meeting.

The gathering was held at the home of Barbara Reynolds in Garden Grove.

This year's officers were Jeanne Lawrence, Beverly Eckles, Misses Reynolds, Johnson, and Langton.

SPINSTERS

Installed during a meeting early this week at the home of Elaine Howard, were the new officers of the Sisterhood of Spinsters. Replacing Lucille Andrew as supreme spinster was Mary Leinberger, while sub-supreme spinster Marlys Park has turned over her duties to Alice Iverson.

Phyllis Brockbank is keeper of the quill; Patti Mattison, keeper of the button box; Jordis Gold, pledge mistress; and Marguerite Baker, historian. They succeed Darlene Sherfey, Miss Leinberger, Mary Toyoda, and Miss Gold, respectively.

LAS MENINAS

New officers of Las Meninas are Dorothy Hazelton, president; Ruth Murphy, vice-president; Helen Butler, secretary; and Betty Banks, treasurer. The retiring officers are Jean May, president; Dorothy Hazelton, vice-president; Glenna Titchenal, secretary; and Helen Butler, treasurer.

At a steak bake, the club's final meeting for the semester, Advisers Dorothy Decker and Genevieve Humiston were presented gifts in appreciation of their work.

Del Ano Innovation Revealed By Editor

Elaine Becker, art editor of Del Ano, revealed this week that the yearbook will have a paper cover this year, for the first time in its history. That paper shortages are affecting jaysee publications was shown when staff members of the annual and Tavern Post announced decreases in the number of pages.

Tavern Post has been cut to 48 pages, while Del Ano will be 84 pages. Both are scheduled to appear early in June. Printing of the yearbook was finished this week, and the volume sent to the bindery.

FACTS ABOUT NAVY V-1 at SANTA ANA JUNIOR COLLEGE

The Navy's V-1 Plan under which Freshmen and Sophomores from 17 through 19 years of age can continue their courses and prepare to become officers in the Naval Reserve has been accepted by our school. Hundreds of colleges and universities are backing the Navy's V-1 program, and thousands of students in other schools have already enlisted under this plan.

Only 80,000 men will be accepted annually for this training, but the Navy wants these men to be fully acquainted with all V-1 details before enlistment. Many questions have been asked. In this column we will answer those most frequently asked and in addition carry informative articles covering all phases of V-1 activities. Some questions asked are:

Q. I am a sophomore and will be 20 years old next month. Can I enlist in V-1?

A. Yes. If you have not yet reached 20 and you are otherwise qualified, you're eligible.

Q. When the war ends, do I stay in the Service?

A. Under V-1, you enlist in the Naval Reserve. As an enlisted man or as an officer, you may be released from active duty as soon as possible after the war is over.

Q. Will the Navy pay my tuition and other expenses while I am still in college under the V-1 plan?

A. No. Navy pay does not start until you are assigned to active duty.

Q. What is the citizenship requirement for acceptance for V-1?

A. Applicants for V-1 must have been citizens for at least 10 years before the date of application.

Don Flier Injured In Bomber Crash

The condition of Lt. Warren Kennedy, aviation student here in 1941, was reported serious today following a crash of the army bomber which he was piloting at Bethany, Okla., this week. The plane was virtually demolished injuring both Lt. Kennedy and the bomber's gunner.

The former Don's mother left immediately from her Santa Ana home to be with him. Lt. Kennedy attended college here in 1935 to 1936 and again in 1941 when he took the local CPT training.

YOUR COLLEGE CAN NOW HELP YOU BECOME A NAVAL OFFICER

Freshmen, Sophomores, 17 THRU 19. Enlist now! Stay in college! You may qualify for a Naval Commission on the sea or in the air.

Freshmen. Sophomores. Here's a challenge—and an opportunity! Your Navy needs trained men. Trained men to become Naval Officers! And your college is ready to give you that training now.

Here's New Navy Plan

If you're 17 and not yet 20, you enlist now as an Apprentice Seaman in the Naval Reserve. You then continue in college, including in your studies courses stressing physical training, mathematics and physics. After you successfully complete 1½ calendar years of college work, you will be given a classification test.

Aviation Officers

If you qualify by this test, you may volunteer to become a Naval Aviation Officer. In this case, you will be permitted to finish the second calendar year of college work

before you start your training to become a Flying Officer.

However, at any time during this two-year period after you have reached your 18th birthday, you may, if you so desire, take the prescribed examination for Aviation Officer . . . and, if successful, be assigned for Aviation training. Students who fail in their college courses, or who withdraw from college, will also have the privilege of taking the Aviation examination.

Deck or Engineering Officers

If you qualify in the classification test and do not volunteer for

Aviation, you will be selected for training as a Deck or Engineering Officer. In that case, you will continue your college program until you receive your bachelor's degree, provided you maintain the established university standards.

Other Opportunities

If you do not qualify as either potential Aviation Officer or as potential Deck or Engineering Officer you will be permitted to finish your second calendar year of college and will then be ordered to active duty as Apprentice Seamen. But, even in this event, because of your college training, you will have a better chance for advancement.

Pay starts with active duty.

It's a real challenge! It's a real opportunity! Make every minute count by doing something about this new Navy plan today.

THREE ENLISTMENT PLANS FOR COLLEGE MEN

Juniors—Sophomores—Freshmen May Continue Their Education

1. A new plan allows Juniors, Sophomores and Freshmen, aged 18 to 26, inclusive, to enlist in the Air Force Enlisted Reserve and continue their schooling, provided they maintain satisfactory scholastic standing.

All College Men May Enlist for Immediate Service

2. All college students may enlist as privates in the Army Air Forces (unassigned) and serve there until their turns come for Aviation Cadet training.

3. All college students may enlist in the Air Force Enlisted Reserve and wait until ordered to report for Aviation Cadet training.

Upon graduation or withdrawal from college, men will be assigned to active duty at a training center as facilities become available.

If the necessity of war demands, the deferred status in the Army Reserve may be terminated at any time by the Secretary of War.

The new Army Air Force Enlisted Reserve Plan is part of an over-all Army Enlisted Reserve Corps program shortly to be announced. This program will provide opportunities for college men to enlist in other branches of the Army on a deferred basis and to continue their education through graduation if a satisfactory standard of work is maintained. In case of necessity the Secretary of War shall determine when they may be called to active duty.

It is understood that men so enlisted will have the opportunity of competing for vacancies in officer's candidate schools.

This plan has been approved in the belief that continuance of education will develop capacities for leadership. (Reserve enlistment will not alter regulations regarding established R. O. T. C. plans.)

Aviation Cadet at \$75 a month, with expenses paid.

If you have majored in science or engineering you can try for a commission in the ground crew—in Armament, Communications, Engineering, Meteorology, Photography.

As a Second Lieutenant on active duty, your pay ranges from \$183 to \$245 a month.

80% Have Won Commissions

Due to thorough training—about *four out of every five* Aviation Cadets this past year received Second Lieutenants' commissions—of which 67% are now flying officers.

The tremendous expansion of the Air Forces should assure rapid advancement in all branches. And after the war—you'll be ready for the ever-growing opportunities in aviation.

Settle Your Service Now

The years ahead are war years—and every college man should make his plans accordingly.

To make America supreme in the air we need *every* college man who can qualify for active or deferred service.

So take advantage now of this option. You may never again have such opportunities.

See your Faculty Air Force Advisor for information and help with details. Join the thousands of America's college men who are enlisting this week!

NOTE: If you are under 21, you will need your parents' or guardian's consent. Birth certificates and three letters of recommendation will be required of all applicants. Obtain the forms and send them home today.

Collegians To Seek New Records At National Cinder Carnival

National junior college track stars will attempt to set new track and field records tonight and tomorrow night when they participate in the national cinder championships at Visalia jaysee.

A glance over the records reveals that 1940 was the big year for the collegian tracksters when they scored six new records. Five fresh marks were recorded in 1939 while only three records fell in 1941.

Hal Davis, California's famous sprinter has the distinction of being the only athlete to have two records in the national ledger. Davis lowered the marks in the 100 yard and the 220 while performing for Salinas jaysee.

Following is the complete list of the records:

100 yard dash—Harold Davis (Salinas), Modesto, 1940—9.5.

220 yard dash—Harold Davis (Salinas), Modesto, 1940—20.6.

440 yard dash—John Wachtler (Pasadena), Denver, 1941—48.5.

880 yard run—Blair Hyde (Sacramento), 1939—1:54.6.

One mile run—Wesley Miller (Stockton), Modesto, 1940—22.1.

Two mile run—Robert Madrid (Pasadena), Sacramento, 1939—32.5.

120 yard high hurdles—Leonard Anderson (Compton), Sacramento, 1939—14.8.

220 yard low hurdles—Joe Baste (Sacramento), Denver, 1941—23.4.

Broad jump—Robert Beckus (Compton), Modesto, 1940—24.5 in.

Shot put—Carl Merritt (Modesto), 1940—51 ft. 1 in.

Javelin throw—Robert Williams (Sacramento), 1939—195 ft. 4 1/2 in.

Discus throw—Wilbur Thompson (Modesto), 1940—146 ft. 8 in.

High jump—Lester Steers (San Mateo), Sacramento, 1939—6 ft. 1 in.

Pole vault—Verne Cooley (Sacramento), Denver, 1941—13 ft. 1 in.

POINT-BLANK

By GUS LUZANIA

ALUMNI NOTE. Ex-Don Frank Minini was one of the only two athletes to be awarded three letters at San Jose State this year. Big Minini, who set the Spartan record in the shotput, recently won letters in football, boxing, and track.

BLIND BATTERS. Pomona jaysee's ace pitcher, Maurie Encinas, tied the Eastern conference strike-out record by fanning 19 Bengals in the Pomona-Riverside game. This is the same Encinas who tied up our Dons so effectively a few weeks ago.

MAKING GOOD. USC's Jeff Cravath had former Dons Bill Noble and Bob Schildmeyer playing guard and end respectively on the Red team in Troy's annual Red-Blue encounter that winds up spring training. The Reds are considered as the first stringers.

SPRINT TALK. How long is your stride? If it is six feet or over you have one qualification for becoming a good sprinter. It has been found that Hal Davis has a stride of nine feet four inches. Frank Wykoff, champion sprinter of other years, possessed a stride of seven feet six inches. Charles Paddock, who at one time had all the sprint records, measured a stride of six feet six inches.

HIGH SCORER. A glance through this year's track and field ledger reveals that Captain Jack Porter was the high point man for the squad. Scoring 112 points in the various meets, Porter easily finished ahead of the others.

Hayes Hits .385 To Lead Koral Hitting Parade

Hitting the ball at a .385 clip pitcher-first baseball Joel Hayes today holds the distinction of having set the pace for Coach Joe Koral's men this season.

Only other players to join the southpaw in the .300 range were Jack and Pete Klein, who went into the Naval Air Corp in mid-season, and catcher Ross Barnes.

The following are the complete batting averages.

Helling, Gish Corner Conference Crown

Entering the recent Eastern conference tennis tournament as jaysee's lone entry, the Dons doubles team of Ralph Gish and Bill Helling turned back Chaffey's Miller and Lucas 6-2, 6-4, to corner the circuit's doubles crown.

Before reaching the finals the Don players defeated Heyer and Kersting of Fullerton 6-0, 6-0 in the first round and Cleere and Gardner of San Bernardino 6-3, 6-2 in the semi-finals.

Gish also holds the Citrus Belt closed singles championship having defeated former Don Keith Michelsen in the final round.

HIGH FLYER. Soaring 13 ft. 3 in. at the West Coast Relays, Kenny Beck entered the ranks of jaysee record holders. The old record of 13 ft. was held by Bill DeVenney '41. (Photo by Jack Sullivan)

Eleven Wardmen Seek Upset Win

Meeting with more than 250 athletes from 40 junior colleges, representing nearly a dozen states, eleven Wardmen will compete in the fourth annual National Junior college track and field championships tonight and tomorrow night at Visalia Junior college.

Those selected by the track squad to represent jaysee at the national track carnival are Captain Jack Porter, Bill Moment, Ernie Collier, Kenny Beck, Field Berry, Al Salmon, Art Mendoza, Chuck Page, Paul Cleary, Oliver Fletcher, and Jack Kaiser.

MYTHICAL TITLE

Although official team championships have been voted out for this year, the fight for the mythical title, based on scoring ratings used during the previous years, will be a two-way duel between Sacramento jaysee, 1942 Northern California champion, and Compton jaysee, 1942 Southern California title winner. Sacramento is rated the edge.

Sprint records hung up by Hal Davis, while at Salinas Junior College, are expected to weather the efforts of the '42 jaysee dashmen.

RECORD THREATENED

The 440 mark of 48.5 sec. set by Watchler of Pasadena last year is expected to be shattered by Kaiser of Sacramento who was recently clocked unofficially in 47.6 sec.

Northcutt of Victoria jaysee (Texas) is regarded as a prime favorite in the 880 but will face Littlefield of Sacramento and Berry of the Dons.

MILE CHAMP

Colorado's Doyle, defending champion in the mile, will have to run the fastest race of his life to outdistance Littlefield, Pothoff and Gorrel of Compton, and Salmon.

At least a half dozen athletes will shoot at the meet mark in the pole vault. Winter and Ferguson of Compton, Shook of Pasadena, Moore of Santa Rosa, who has an unofficial jump of 14 ft. to his credit, Johnson of Modesto, and Beck of the Dons are expected to wage a close battle for the ozone climbing honors.

Congress Can't Vote It!

(Because of the excellence of the ideas presented, El Don reprints here excerpts from a bulletin issued by the Committee on Public Morale in Los Angeles county.)

Morale, the secret weapon that will win the war.

Congress can't vote it. Dollars won't buy it. It's your job to build it.

Put unity into our community. Unit starts with U. To win the war, stop private wars at home, on the job, with the neighbors. Honest apology ends friction, starts teamwork. If we pull together, we'll pull through.

Be a rumor-stopper. Rumors help the enemy. Trace the facts. Face the facts. Don't exaggerate. Make our community gossip-proof, smear-proof, panic proof, fear-proof. Every patriot shoots a rumor dead on sight.

Meet shortage by sharing. Use all of everything. Don't hoard. If everybody cares enough, and everybody shares enough, everybody will have enough. No waste in our ice-box, cash-box, brain-box!

Keep moral standards high. Don't weaken the home front by wangling something for yourself on the side. Dishonesty and indulgence in you saps the nation's fighting strength. A decent world tomorrow depends on how we live today.

Memorial Reminder

A new significance will pervade the observance of Memorial day tomorrow.

The tribute paid to dead heroes will extend over more than a quarter of a century to take in the thousands who are dying on the battlefields now.

A touch of grim irony will tinge each Memorial address, and the mingled emotions will be more than a little confusing. More than memorial solemnity will reign at the tomb of the unknown soldier. . . . for the spirit of that tomb has suddenly expanded to touch close to hundreds of other hearts.

But there will be another side. There will be a new resolution . . . a resolution that this catastrophe shall not be repeated again. There will be cold, clear minds, analyzing the mistakes of the past to convert them to future victories, both in war and peace.

And there will be a reassurance of our faith in ourselves, as we face the issues at hand. We shall be reminded that sorrow, hardship, and sacrifice have only begun to take their toll; that we are steeling ourselves to meet the even greater demands of tomorrow.

Perhaps it will be a Reminder day as well as a Memorial day.

Congrats and Suggestions

Congratulations should be extended to those people responsible for the Fiesta picnic. From a beginning of nothing they constructed a jaycee celebration that obeyed in most respects the laws of war economy, and at the same time preserved a vestige of the tradition for which Santa Ana Junior college is famous.

English observers have assured us that the maintenance of morale is impossible without providing entertainment and relaxation from the tense atmosphere that pervades a country at war. Other jaycee socials should be planned with this in mind.

A few suggestions might be made to the planners of next year's social calendar. They will be asked to economize as much as possible. That economy must not cut into social life to such an extent that it takes the "play" out of college. By localizing all activities, sponsoring defense stamp dances, and playing up the "walk and save" idea, it will be possible not only to do more for the defense effort, but to preserve the ever-necessary morale at the same time.

Laugh If You Dare At These Classic Blunders Exams Reveal Weird Misinformation

"Out of the mouths of babes. . ." goes the saying, but the following boners were not out of the mouths of babes, but from the pens of harassed college students in jaycee English classes, struggling to find the right answers to the most uncivilized of mental tortures: the examination. T. H. Glenn, head of the English department and Dean of Men, recalls these as the greatest laugh-getters he has come across in exam papers during his 16 years here. Laugh, if you will, but only with the knowledge that one or more may be taken from that paper you wrote for English 1A when you were a freshman. For instance:

"Wordsworth infested Nature with a new meaning. . ."

"The gorilla warfare in the Philippines. . ."

"When lit up I enjoyed looking down on the cities of the valley."

"A martyr is something like a bachelor."

"Strategy is when you don't let the enemy know that you are out of ammunition but keep on firing."

"Humor was then introduced into the English drama—for example, a wife wringing her husband's neck."

"A polygon is a dead parrot."

"Q. What are rabies, and what would you do for them?"

"A. Rabies are Jewish priests. I should do nothing for them."

"The Papal Bull was really a cow kept at the Vatican to supply milk for the Pope's children."

"They gave William IV a lovely funeral. It took six men to carry the beer."

"Wells' history is a veritable millstone on the road to learning."

"Keats is a poet who wrote on a greasy urn."

"The Passing of Arthur" is a beautiful poem. It reminds me a lot of 'Custer's Last Stand.'"

"Contralto is a low sort of music that only ladies sing."

"Rhubarb is a kind of celery gone bloodshot."

"To pinch a butterfly you pinch its borax."

"Quinine is the bark of a tree; canine is the bark of a dog."

"A sure-footed animal is an animal that when it kicks it does not miss."

"Martin Luther died a horrible death. He was excommunicated by a bull."

"Henry V was rather a good king, only like many other kings he often went mad."

"Habeas Corpus was a phrase used during the great plague of London, and means 'Bring out your dead.'"

"Letters in sloping type are in hysterics."

"The king was crowned in the Crystal Palace with his sepulchre in his hand."

"An heir is when anybody dies you get what is left."

"A vacuum is an empty space where the Pope lives."

THREE YEARS AGO

College language societies, including French and Spanish clubs and Alpha Mu Gamma, launched a campus drive to help feed and clothe Spanish refugees stranded in France. Miss Mary Swass and Miss Lella B. Watson were co-heads of the campaign.

Russell Invented Airplane Gunsight

The loss of Major H. O. Russell may not prove to be a permanent one as, on departure, the co-ordinator of jaycee defense activities declared his intention of returning to jaycee after the war.

The head of the college mechanics-engineering department was recently ordered to active duty as a major in the U.S. Army Air Force.

Russell was under orders to tour various aircraft plants before he reached Washington, D.C., and reported for special duty with the War Department. There he will be stationed in engineering and technical research laboratories, in which fields he distinguished himself before joining the college faculty in 1924. Russell was recognized as one of the aviation authorities on the west coast.

The major holds several military aeronautical patents, including the mirror gunsight in use on fighting planes today. Both Dutch East Indies and British aircraft have been equipped with this invention. Russell has also invented ground-speed meters, a bombsight, and engine tachometers. He receives royalties on some of these inventions, although others he has given to the government.

In 1918 Russell enlisted as an air corps cadet at Berkeley, later receiving flying training with the RAF in Canada. When the war ended he held the rank of captain.

Don Sees French Isle Occupied FAR PACIFIC WAR SAGA

American troops, disembarking from transports in the harbor, sang "Roll Out the Barrel" as they marched down the main street of Noumea, capital of France's South Pacific island of New Caledonia. Natives were convinced the song was the U.S. national anthem.

This was one of the impressions of the Far East theatre of war for John Del Davis, '41, who visited jaycee last week while on leave from the merchant marine. Davis, a foreign language major, went to the U.S. Maritime Service school in New York after he was graduated from junior college last June.

Only sour note accompanying U.S. occupation of the French island, he said, was a skirmish with disgruntled Japanese who threw rocks at American soldiers.

CORDIAL RECEPTION

Reception of U.S. troops by French colonials and natives was very friendly, Davis indicated, owing to fear of a Japanese attack on the island. Prior to the landing of American forces, a miniature revolution had been staged in Noumea, the colony going over to de Gaulle and the Vichy element being ousted. The natives are in full support of the Free French, in contrast to Burmese and Malayans, because French colonial administration has been more liberal than the British. Davis was agreeably surprised at the ease with which he could carry on a conversation in French.

Davis said that cannibalistic natives still exist in the interior of the island. The appearance of blonde natives was somewhat startling, he said, because many islanders bleach their hair. The climate is oppressively hot.

ISLAND IS WAR BASE

The jaycee graduate emphasized the importance of New Caledonia to the Allied cause. The 260-mile-long island lies athwart the American supply lifeline to Sydney and Down Under, and it provides the Allies with a first-class naval and air base at Noumea. It is also incredibly rich in minerals—No. 2 world producer of nickel, No. 5 of chromite. The Japs, Davis said, would have given a lot of men to take this prize.

In Australia Davis said they were greeted by the most intense enthusiasm. At that time the British hardly dared show their faces in the streets, so great was the resentment felt by the Anzacs for the loss of their army at Singapore, which practically denuded Australia of defenders.

The ship on which Davis sailed was a brand new freighter built in Germany and taken over by the U.S. in the Philippines in March, 1940. It had many narrow escapes from Jap Zeros and dive-bombers, submarines, and merchant-raiders. On one occasion off much-bombed Port Moresby, the timely appearance of three U.S. warplanes saved the freighter from being torpedoed by an enemy submarine.

Knutsen Was AP Reporter FROM FURS TO ECON

Fur trading and sports coverage for Associated Press were only two occupations that helped Instructor Orville M. Knutsen prepare for his chosen profession in economics.

Knutsen worked for AP as a sports writer and attended Augsburg college and the University of Minnesota all at the same time. He covered all the sports activities of the university and its eight private colleges, turning in a story every day in the year. While covering football he met "Bronko" Nagurski, University of Minnesota All-American. He thinks the Polish gridster is the greatest football player the university ever had.

When attending Clinton, Minn., high school, Knutsen was employed by a St. Paul produce concern and was engaged in buying fur pelts from trappers and selling them to fur wholesalers.—C.T.
